### SecureNet Payment Systems signs GEICO to the SecureNet platform

#### Rockville, M.D. (January 3, 2010)

SecureNet Payment Systems has entered an agreement in which it will be the exclusive payment processor for GEICO, the nation's third-largest\* private passenger auto insurer, with more than 9 million policyholders and more than 16 million insured vehicles. In addition to payment processing, SecureNet will provide secure credit card data storage and other services as part of its "Total Payment Processing Solution."

"We are very excited here at SecureNet because we feel strongly that our cutting-edge technology and decade-plus experience in high-volume, card-not-present environments makes us an ideal match for a customer like GEICO," said Marc Potash, CEO of SecureNet.
