SecureNet Payment Systems Expands Senior Management Team with New Hires

Rockville, MD (January 29, 2010)

SecureNet Payment Systems, a leading payment processor for networks such as Visa, Mastercard and American Express, is pleased to announce the addition of four new members to its senior management team (in alphabetical order):

Jason A. Chautin, Chief Operating Officer
(formerly of United Technologies, Sunrise Senior Living)

Joseph Eason, Relationship Manager
(formerly of Micros Systems)

Matthew Hebb, Chief Financial Officer
(formerly of NABI Biopharmaceuticals, Novavax)

Steve K. Kim, Global Brand Manager
(formerly of Applied Proactive, Cardinal Health)

"Each member of our senior management team was carefully picked out of a large pool of highly qualified candidates over the past several months. With the management team complete, SecureNet is now positioned to leverage the talents of these incredible people, each of whom is a proven leader and expert in his respective field," said Marc Potash, CEO and President of SecureNet.

About SecureNet Payment Systems

SecureNet Payment Systems is a PCI-compliant payment processor and a member of the Electronic Transactions Association. SecureNet has been a leader in payment processing technology since 1997, offering a flagship suite of products including Virtual Terminal, a secure web-based payment processing and account management portal. SecureNet's long list of current satisfied customers includes high-volume businesses such as GEICO and Ameriprise, as well as tens of thousands of merchants of all sizes. Visit www.securenet.com for more information.
