## SecureNet Payment Systems Announces New Agent Partner

Rockville, MD (March 1, 2010)

SecureNet Payment Systems, a leading payment processor for networks such as Visa, Mastercard and American Express, is pleased to announce the addition of a new agent partner, Mark K. Brewer. Mr. Brewer will focus on bringing electronic check services and ACH processing to Fortune 1000 companies and eCommerce partners.

Mr. Brewer's recent experience includes three years as President of his own commercial real estate company in Scottsdale, Arizona where he closed more than \$150 million in real estate transactions. He was also Vice-President of Stearns Bank N.A. - Arizona in Scottsdale, Arizona.

"Mark's deep understanding of the ACH Network will help SecureNet capitalize on the rapid growth of ACH as a cost-efficient payment method in a variety of industries," said Donna Kasoff, SecureNet's National Sales Manager.

ACH payments topped 18.2 billion transactions in 2008, representing a 1.2 billion transaction increase over the previous year, according to NACHA, The Electronic Payments Association.

### About SecureNet Payment Systems

SecureNet Payment Systems is a PCI-compliant payment processor and a member of the Electronic Transactions Association. SecureNet has been a leader in payment processing technology since 1997, offering a flagship suite of products including Virtual Terminal, a secure web-based payment processing and account management portal. SecureNet's long list of current satisfied customers includes high-volume businesses such as GEICO and Ameriprise, as well as tens of thousands of merchants of all sizes.
